energy right® Program Privacy Act Information

The *energy right®* In Home Energy Evaluation Program is being conducted by TVA and your electric power distributor as part of an effort to assist TVA in carrying out its electric power supply responsibilities under the Tennessee Valley Authority Act of 1933.

Your participation in this Program, and in any related financing for which you are eligible, is voluntary, and you may decline to participate without affecting your relationship with TVA or your power distributor. The personal information collected will not be used in making any decisions affecting you other than those directly related to your participation in the Program itself.

All information you furnish will be confidential and will not be disclosed in any form that would identify you except to employees of your power distributor or of TVA or to others involved in conducting the Program or as required by law. The information will be subject to the provisions of the Privacy Act of 1974.

This information is provided in accordance with section 3(e)(3) of the Privacy Act of 1974. You should retain a copy.

Contractor's Certification:

Important Notice to Contractor: Contractor certifies that each heat pump and/or installed weatherization measure identified in this Incentive Application and in the attached detailed invoice complies with applicable Program Standards, policies, procedures and codes. Contractor grants TVA permission to perform quality control inspections and quality assurance audits of the work. These audits and any Program inspections are solely for the benefit of the power distributor and TVA to help assure Program purposes are being achieved and create or imply no duty or obligations to Contractor. Contractor is responsible for making any inspections to protect Contractor's interests. There is **NO GUARANTEE OR WARRANTY**, express or implied, from the power distributor or TVA as to the heat pump and/or installed weatherization measures.

Customer's Certification

Note: Customer is responsible for notifying Power Distributor when work is completed

Important Notice to Customer: Before signing, read the Privacy Act Information at the top of this form. There is **NO GUARANTEE OR WARRANTY**, express or implied, from your power distributor or TVA as to the work performed, any of the improvements installed, or their adequacy or effectiveness. Customer is responsible for making any inspections to assure customer's interests are protected. Customer is responsible for having a qualified gas or oil heating specialist check all gas or oil-fired forced-air furnace systems and all other indoor gas appliances and devices for compliance with all applicable codes and regulations. Customer is advised to have this done.

By signing, Customer agrees that the work has been satisfactorily completed and certifies that any weatherization improvements have been satisfactorily installed. Customer further provides TVA permission to conduct quality control inspections and quality assurance audits of the work and improvements and acknowledges that these audits and any Program inspections are solely for the benefit of the power distributor and TVA to help assure Program purposes are being achieved and create or imply no duty or obligation to customer.
